Description of item content	<p>This resource outlines how to implement an economics fair, in which students market and “sell” a product of their own design.</p>
<p>How this item informs your goals. Significance in your Practicum/Internship experience.</p>	<p>Simulations and hands-on activities work well with gifted students. This is a teaching strategy meant to elicit creativity from the students. Both of these directly relate to my practicum goals of effectively reaching gifted students and planning creative lessons.</p>
